This is to remind all the students for an inspiring DCPD initiative – “Rendezvous with Alumni”, a golden opportunity to gain first-hand insights, career guidance, and meaningful connections that can significantly influence students' professional journeys.

This session is **not just an event**—it's a bridge between Students' academic life and the dynamic realities of the corporate world. Students will have the opportunity to interact directly with our esteemed alumni, who have successfully carved out their paths in various industries. Whether you're looking for guidance, mentorship, or a clear vision for your career, this session is designed to empower you.

The schedule of the Session is mentioned below: -
